Summary

Hi, myself Rohit Bharti and I'm a CS UnderGrad third year pursuing student at Vishwakarma Insitute of Information Technology,Pune . I have a deep interest in Web development and I am a go getter who have ability to work well in a team

Skills

HTML, CSS, JavaScript, Java, OOP, Teamwork, DBMS, Python, Node.js

Experience

Pune, Maharashtra
Internship | 08/2021 - 12/2021
Web Devleopment Intern at InProspect technologies | Pune

During my internship, I learned how to communicate and build
relationships with the people I worked with. I learned to talk about
my interests , Knowledge as well as how to ask question

As an intern, I discovered it is essential to be enthusiastic and
open to learning new skills, feedback I was given by supervisor, I
noticed, and things I wanted to research and learn more about.

I designed some of Ui for them and also fixed some bugs . we conducted group meetings with teammates , solving each other issues that gradually increased team spirit which also results in completing the tasks on time .Overall it was an enjoyable expierence for me

Personal projects

My PortFolio : https://smarty6452.github.io/MyPortfolio/

A Fitness blog Website : https://smarty6452.github.io/SmartyFitness/

DBMS : A 'mysql.connector' SQL connection and a mysql workbench

Data Visualization of a DataSet(WordCup) using Tableau by creating an interactive dashboard
